**Programma toelichting**

De "Blue Ridge Mountains" in Noord Amerika hebben al veel componisten geïnspireerd en volgens mij verschaffen de melodische en ritmische wendingen, zo kenmerkend voor die streek, een voedszaam dieet dat de verwerende stedeling weer in evenwicht brengt. De drie delen van dit werk zijn gecomponeerd op basis van symfonische structuren, maar er zit ook een programmatisch element in besloten dat bijgehouden wordt door de gedachte aan Bacchus, de god van "Wijn, Wein und Gesang". Bacchus is altijd al een lawaaijige stadsbewoner geweest, die zo nu en dan de competitie-strijd op de Olympus (de godenberg) verlaat voor een week-endje op het platteland. Het verloop van dit werk moet opgevat worden als een lichtvoetige illustratie van deze gedachtegang. Elementen van jazz worden vermengd met volkdanzen; Blues worden versmolten met de Prairie-stijl en de Valse de Paris wordt overstemd door een neger-dans. Deze compositie heeft vanaf 1974 veel stadia doorgemaakt en kreeg tenslotte eind '83 zijn beslag in deze versie voor harmonie-orkest.

**Dionysos dans les montagnes "Blue Ridge".**

Les Chânes des montagnes blues aux E-U ont inspiré maints compositeurs et d'après moi, les tournures mélodiques et rythmiques si caractéristiques de la région se chargent de redonner du tonus à l'estomac du citadin, lui déjà gâté, par un menu copieux qui se charge de le remettre d'aplomb. Les trois parties de cette oeuvre sont composées sur base de structure symphonique, mais referment également un élément entrant dans le vif du programme, élément assorti du souvenir de Dionysos, le dieu de la triade connue "Le Vin, les Femmes et la Chanson". Dionysos a toujours été un citadin bien bryuant qui quitte la compétition de l'Olympe (le Montagne des dieux) pour une fin de semaine à la campagne. Le contenu de cette oeuvre doit être considéré comme une aimable illustration de cette pensée. Des éléments de la musique de Jazz sont mêlés au style de "Prairie" et la Valse de Paris est noyée par une danse nègre. Cette composition a considérablement évolué depuis 1974 et reçut sa forme définitive vers la fin de l'année 1983 dans sa version destinée à l'orchestre d'harmonie.

**Composer's program note**

The Blue Ridge Mountains of North America have inspired many composers, and to my mind, the melodic and rhythmic patterns associated with that region provide a wholesome rustic diet which may balance our urban sophistication. The three movements of this work are composed on simple symphonic structures, but they include a programmatic element linked by the idea of Bacchus, the god of Wine, Women and Song. To me personally (and probably without conscious foundation), Bacchus has always been a rather jazzy city dweller, who occasionally leaves the rat-race of Olympus for a week-end in the country. The course of this work may be taken as a lighthearted illustration of such thoughts. Jazz elements mingle with country dance, Blues merge with Prairie-style, and Valse de Paris is subdued by hoe-down. The composition went through many forms from 1974 onwards, and was realised in its final stage for symphonic Wind Band at the end of 1983.

**Programmerläuterung**

Viele Komponisten wurden durch die "Blue Ridge Mountains" in Nordamerika inspiriert. Die für diese Gegend so kennzeichnenden melodischen und rhythmischen Wendungen werden meines Erachtens zu einer nahrhaften Diät, die den verwöhnten Städter wieder ins Gleichgewicht bringt. Die drei Teile dieses Werkes sind auf der Grundlage symphonischer Strukturen komponiert, doch ein programatisches Element ist ebenfalls enthalten, das von Gedanken an Bacchus, den Gott von Wein, Weib und Gesang, getragen wird. Bacchus, der immer im Lande der Göttergipfel Olymp den Kopf zu und den Fuß sich zum Wochenende hin auf's Land. Der Verlauf dieses Werkes könnte als leichtschwingende Illustration dieser Gedankenanges aufgefassen werden. Elemente der Jazzmusik sind mit volkstümlichen Elementen des Prairie-Stils und dem Valse de Paris in einer schwarzen Tanzmelodie vermischt. Diese Komposition hat sich seit 1974 in vielen Stadien verändert und erhielt ihre definitive Form am Ende des Jahres 1983 in dieser Version für Harmonieorchester.

Joseph Horowitz werd in 1926 te Wenen geboren en vestigde zich in 1938 in Engeland. Hij studeerde muziek en moderne talen aan het New College te Oxford. Tijdens de oorlog nam hij, als beginnend student, dienst bij de afdeling Welzijnzorg van het leger en in dat verband gaf hij veel piano recitals en lezingen over muziekbelevingen voor de strijdkrachten. Na het behalen van zijn graad in de muziek in 1947, begon hij met de studie compositie bij Gordon Jacob aan het Royal College of Music in Londen en deze studie deed hij ook een jaar bij Nadia Boulanger in Parijs. Hij begon zijn carrière als muzikaal directeur bij het gezelschap "Old Vic" in Bristol voor twee seizoenen en hij werkte vervolgens als ballet- en opera dirigent bij verschillende internationale gezelschappen, waarmee hij tournees maakte door G. Britannië, Europa en de U.S.A. Vanaf 1962 kwamen zijn activiteiten meer en meer op het gebied van het componeren te liggen, alhoewel hij nog steeds veel reist als gastdirigent van zijn eigen werken. Zijn oeuvre omvat 15 balletten, (waaronder "Alice in Wonderland" 1963 hetgeen onlangs weer in Engeland en Duitsland is opgevoerd); twee opera's van een acte; concerten voor viool, klarinet, trompet en euphonium; en een vaak gespeeld jazz-concert voor clavecimbel. Zijn kamermuziek omvat vijf strijkwartetten en werken voor klarinet en hobo. Hij heeft een aantal werken voor koperensemble en brass band geschreven (waaronder het concoursstuk voor het Nationale Kampioenschap 1983). Buiten het oratorium "Samson" met brass band bestaat zijn kamermuziek ook uit cantates voor jongeren, waarvan de meest bekende, "Captain Noah and his Floating Zoo", thans in zes verschillende talen gezongen wordt. De laatste jaren verwierf hij internationale bekendheid door zijn muziek voor t.v. series en t.v. spelen zoals: "Lillie"; "Rampole"; "The Search for the Nile"; "The fight against slavery"; "Wessex Tales"; "Partners in Crime" en verscheidene andere thrillers van Agatha Christie, verder "Dorian Gray"; een film over "Modigliani" en voor de Shakespeare serie van de BBC: "The Tempest" en "Twelfth Night". Hij verkreeg de Commonwealth Medal voor compositie; twee "Ivor Novello Awards" is "Fellow of the R.Coll of Music" en werd onlangs gekozen tot President van het Internationale College van componisten en tekstdschrijvers.

Joseph Horowitz was born in Vienna in 1926 and settled in England in 1938. He read Music and Modern Languages at New College in Oxford. During the war, as an undergraduate, he joined the Army Education Corps, giving many piano recitals and lectures on music appreciation to the Forces. After taking a B. Mus. in 1947, he studied composition with Gordon Jacob at the Royal College of Music in London, and for a year with Nadia Boulanger in Paris. His career began as music director of the Bristol Old Vic company for two seasons, and continued as conductor of ballet and opera for several international companies with whom he toured in Britain the Continent and USA. Since 1962 his activities have concentrated on composition although he still travels widely as guest conductor of his own works. His output includes 15 ballets (among them "Alice in Wonderland" of 1963, recently revived in England and Germany), 2 one-act operas, concertos for violin, clarinet, trumpet, euphonium and a frequently played jazz-harpisichord concerto. His chamber music includes 5 string quartets and works for clarinet and oboe. He has produced a number of works for brass ensembles and brass bands (including the 1983 test piece for the National Championship). Apart from an oratorio, "Samson" with brass band, his choral music includes cantatas for young people, the best known being "Captain Noah and his Floating Zoo", which is now sung in six different language editions. In recent years he has become internationally known for his television scores for plays and series such as "Lillie"; "Rampole"; "The Search for the Nile"; "The fight against slavery"; "Wessex Tales"; "Partners in Crime" and several other Agatha Christie thrillers, "Dorian Gray", the art film "Modigliani" and, for the BBC Shakespeare series, "The Tempest" and "Twelfth Night". He holds the Commonwealth Medal for Composition, two Ivor Novello Awards, is a Fellow of the Royal College of Music, and was recently elected President of the International Council of composers and lyricists.
